

## Tech Wizards High-Quality (HQ) Desktop PCs

We are proud to present a collection of high-quality desktop PCs offering superior performance and value.

- **Custom-built by skilled professionals**
- **High-quality, "leading edge" components**
- **Local service & support for Raleigh/Durham business and residential customers**
- **Backed by 10 years of Tech Wizards experience and tech support expertise**
- **Hardware warranties of up to three years**
- **Microsoft Office 2010 Starter Edition Included** (This PC is preloaded with reduced-functionality versions of Word and Excel that include advertising. It does not include PowerPoint or Outlook. Purchase an Office 2010 Product Key to activate the full-featured Office software on this PC.)
- **Standard keyboard and optical mouse available (\$20)**

Tech Wizards HQ-Home Series	Tech Wizards HQ-Business Series	Tech Wizards HQ-Premium Series
Best for the average home user. (those who browse the web, check email, and run basic software applications)	Best for the average business user. (those who run multiple applications at once, including large spreadsheets & databases)	High-performance PC for heavy duty users (those who need maximum power and speed for resource-intensive applications and graphics)
